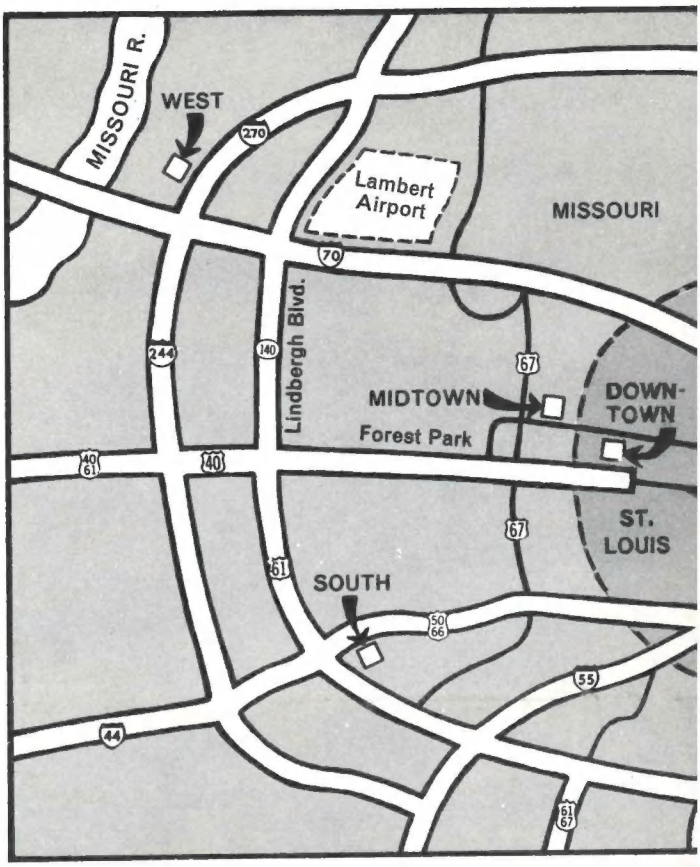
St. Louis - Downtown

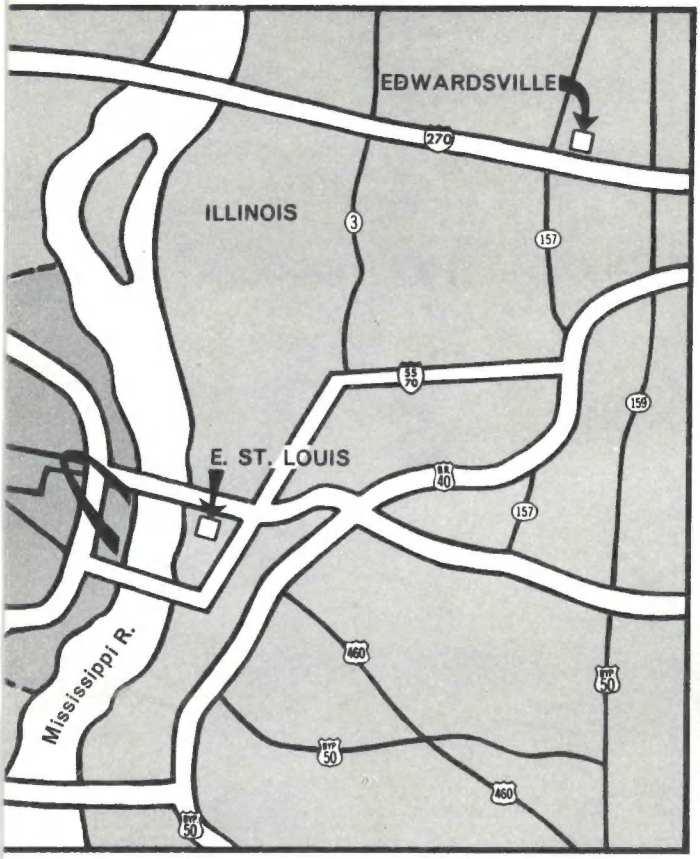
Holiday Inn®



The best of both worlds combine at the Holiday Inn Downtown. There's access to the heart of the city with the "suburban" luxury of free parking. This ten-story, 250 room Inn is located at 2211 Market Street, just 10 minutes from the Gateway Arch. The Holiday Inn Downtown features entertainment and cocktails in the popular Warehouse Lounge.

There are six spacious and attractive Holiday Inns in the Greater St. Louis Area and each offers travelers,

Holiday Inn®



companies and organizations a wide variety of accommodations for meetings, banquets, conventions, dances and other programs. When food and beverage service is included, there is no charge for these facilities.

The Inns also provide free equipment for meetings, including lectern, easel, screen, blackboards, piano and electronic equipment. Catering departments at all Inns can serve any kind of meal from rolls and coffee to a multicourse banquet.
